Independent Auditors' Report

Members

JLM Securities Company, LLC

We have audited the accompanying balance sheet of JLM Securities Company, LLC as of December 31, 2009, and the related statements of income, members' equity and cash flows for the year then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with U.S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of JLM Securities Company, LLC as of December 31, 2009, and the results of its operations and its cash flows for the year then ended in conformity with U.S. generally accepted accounting principles.

JLM Securities Company, LLC is exempt from the requirements of Rule 15c 3-3 under subparagraph (k) (2) (A), because it does not possess or control customer securities. Accordingly, information relating to the possession, control, or reserve requirements under Rule 15c 3-3 has been omitted from this report.

KIRSCHNER HUTTON PERLIN, P.C.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The additional information included in this report (pages 9 and 10), is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements, and in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

Independent Auditors' Report on Internal Control

Members

JLM Securities Company, LLC

In planning and performing our audit of the financial statements of JLM Securities Company, LLC for the year ended December 31, 2009, in accordance with U.S. generally accepted auditing standards, we considered The JLM Securities Company, LLC's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

This report is intended solely for the information of management and the National Association of Securities Dealers and is not intended to be and should not be used by anyone other than these specified parties.
